Rev. Chancellor Bowles,
Victoria College.

Dear Chancellor Bowles:

I should like very much to be able to accept your kind invitation to Mrs. Falconer and myself to be with you again this year as usual at the Senior Dinner of the Graduating Class in Arts. I regret, however, that I have an engagement on Friday evening, the third of March, to speak to the Teachers' Institute. As I had already postponed it I cannot ask them to change the evening again. I hope that in these circumstances you will excuse me and that you will have a very enjoyable evening.

With kind regards, I am,

Yours sincerely,

President.

Chancellor Bowles,
Victoria College,
Toronto.

Dear Chancellor Bowles:

This morning Sir Edmund Walker and I went into the Common Room at Victoria to see Mr. Glazebrook's picture which is to be presented to the University by his brother on Commencement Day. I am asking Mr. LeFan, our Superintendent, to have the picture brought over to Convocation Hall on Thursday or Friday morning. Will you be kind enough to allow him to take it from the Victoria Common Room, and oblige,

Yours sincerely,

President.
